

Locks by Loulou Grand Opening Event

Luxuria Middle East was excited to support Locks by Loulou's second location grand opening where the hair salon has expanded to beauty with #1 UK SPA brand ELEMIS.

On the 7th of October 2019, our ELEMIS team supported the opening with our Skin diagnosis consultations for exclusively invited guests.

ELEMIS treatment demonstrations were performed to introduce the treatments.

Guests received a complimentary ELEMIS goody bag, sponsored by Luxuria Middle East.
